CONCORD, N. H., FEB. 28, 1899.

Delegation met at room No. 7, at the call of the chairman, with twenty-seven members present.

Smith of Rochester moved that we raise and appropriate the amount of \$75,000.00 for the year 1900, and \$70,000.00 for the year 1901, for the following purposes:—Maturing bonds and interest, County Farm, Court, Jail, Poor and Soldiers off the Farm, Insane and Miscellaneous Expenses. Waterhouse of Barrington moved to amend the motion by substituting \$68,000.00 for each of the years 1900 and 1901. On a ye and nay vote the amendment was lost, 11 voting yes and 16 voting no, and the original motion was carried.

Smith of Rochester moved that we raise the sum of \$4,000 as a special appropriation for the year 1900, for the following purposes:—New barn, pumping station, repairs on court house, Snell house, alms house and springs, and authorize the County Commissioners to hire the above amount at a rate of interest not exceeding 4 per cent., payable Jan. 1, 1901.

Mathes of Dover moved to amend the motion by striking out the words "New barn," and substituting \$2,500.00 for \$4,000.00, and on a ye and nay vote the amendment was carried, 16 voting ye and 11 voting nay, and the motion was carried as amended.

A true record—attest,

CHARLES E. WOODWARD, Clerk.

COUNTY COMMISSIONERS' REPORT.

We wish to submit our third annual report and the report of all other county officers for the year 1899.

We call your attention to the report of the Auditors, who give a full and complete report of the financial standing of the county.

We also call your attention to the reports of the Chaplain, Treasurer, Solicitor, Physician, Sheriff, Clerk of Supreme Court, and Superintendent of County Farm.

The County Farm has been continued under the management of Mr. and Mrs. Willand, Superintendent and Matron, who merit our commendation and the thanks of the citizens of the county for their untiring efforts in behalf of the unfortunate under their care.

We wish to thank Rev. Mr. Wilson, Chaplain, for the interest he has taken in the welfare of the inmates.

Mr. and Mrs. Hayes have conducted the Jail to the satisfaction of the Commissioners.

Dr. T. J. Ward has attended to the sick of the Farm, Jail and Dover poor in a satisfactory manner.

The Court House has been looked after by the ever faithful janitor, Thomas Tolmay.

Permanent improvements the last year include the building of a pumping station, and purchasing of two new pumps, and laying new pipe at a large expense, which will be a great saving in the future. We have also built a new blacksmith, carpenter and pipe shop combined; also a new house over spring, built over the ice house, and have finished the second story of the Trickey house for contagious diseases, which we have felt the need of in the past. Steel sheathing has been put on the ceiling of the two lower corridors in the alms house. Hard wood floors have been laid in a number of rooms, and other improvements have been made and charged to the farm, that, with the higher cost of most everything that we have had to buy for the maintenance of the farm, has added to the cost of supporting the inmates.

The Court House has been thoroughly repaired—both the

brick work and painting—so that it will not need anything more laid out on it for some time.

The Jail has also been repaired, and new cots put in, and is now in good condition. Everything has been done so thorough that we feel that the county property stands second to none in the state.

REPORT OF CHAPLAIN.

During the past year I have conducted Sabbath services which have been well attended and appreciated. Reading matter has been furnished and thankfully received. Visits to the sick, with the consolation of the gospel of the Son of God, have been an acknowledged source of comfort and help. The Christmas tree given Dec. 29 was enjoyed by all, the attendance of the county commissioners making the event the more enjoyable, and the earnest endeavors of a company of young ladies from Dover, together with efforts of the superintendent and family, brought comfort and cheer to those whose lives need the sunshine that we may bring to them.

Respectfully submitted,

H. E. WILSON, CHAPLAIN.

REPORT OF PHYSICIAN.

TO THE COMMISSIONERS OF STRAFFORD COUNTY :

GENTLEMEN :—I herewith append my report for the year ending December 31, 1899.

During the year just closed we have had at the farm about the usual ratio of sickness, but have been unfortunate in number of surgical cases, at one time having had a compound fracture of leg, a broken collar bone, a fractured elbow, broken fore arm and a patient whose toes on each foot were amputated by a train. This condition of things has given us an extremely busy year.

Our patient with fractured leg, even going so far as to sustain the same kind of break the second time, being absent from the farm only a few weeks.

Through the courtesy and foresight of the commissioners we are at present provided with a small hospital for contagious diseases, which reflects credit upon the County of Strafford.

At the jail we have had more or less sickness all the time, the majority there take no care of themselves when at large, and our difficulties can be easily recognized.

In the city of Dover I have seen less sickness than heretofore.

The superintendent and matron have given me their most cordial assistance at all times, this I have also received of Mr. and Mrs. Hayes at the jail.

In submitting my fifth annual report I desire to say that the affairs at the county jail have gone along smoothly and in a very quiet manner. We have had the kindly assistance of the county commissioners for all needed improvements and comforts which we appreciate thoroughly.

Many prisoners have been sent to us with old chronic diseases clinging to them, and we are under obligations to our county physician, Dr. T. J. Ward, for prompt attention to such cases, thereby rendering it easier for us.

Respectfully submitted,

JAMES E. HAYES, Jailor.
